27th European Young Geotechnical Engineers Conference
and
GeoGames
NR MSUCE, Moscow, Russia
September 17 – 19, 2020

Russian Society for Soil Mechanics, Geotechnics and Foundation Engineering is pleasured to announce the 27th European Young Geotechnical Engineers Conference that will be held from Thursday 17th September to Saturday 19th of September 2020. The conference will take place at National Research Moscow State University of Civil Engineering in Moscow, Russia.

GeoGames is a competition for young geotechnical engineers and scientists which is traditionally held as part of a Youth Conference RSSMGFE. In 2020, the GeoGames will be held for the sixth time. Games format is changing every year. What will it be in 2020? Come and find out!

Participants

Each European National Society will be asked to select two representatives to attend the Conference. Ideally, they should be 35 years of age, or less, at the time of the meeting. Senior geotechnical engineers will deliver keynote lectures and will engage with the young engineer delegates during the technical sessions.
